State PIN: 013043.00
Amendment No. 2

Dear Sir/Ms:

The following question has been received:

Question: The typical sections show a 3:1 inslope to match the shoulder aggregate. How is this paid for, and what are the material requirements?

Response: Graded using existing material. Payment will be incidental to Item 204.20.

Question: Paved sideroads and Driveways – If any of the existing paved driveways or sideroads need to be sawcut and the existing pavement removed due to the change of grades, which pay item would that fall under?

Response: If necessary a contract modification will add the appropriate items.

Consider this information prior to submitting your bid on April 6, 2011.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
